Do you know of any toxins or	other hazards your c	hild is r	egularly exposed to?	Y N
If yes, what? Has your child ever been bitte	en by a tick or spider,	or scra	tched by a cat:	
Is there anything else you f	eel I should know?			

#### **Mutual Understanding and Consent to Treatment**

The following information is provided to enable our sharing of a common understanding of our rights and roles in this professional therapeutic relationship. Please read this agreement and sign at the end indicating that you have understood and agreed to the following. During your appointment, Dr Joshi will take a thorough medical and health history. A physical examination may be done.

- Information revealed during the appointment is strictly confidential. Exceptions to this confidentiality include disclosure by you regarding intention to harm yourself or others, and where there is reasonable suspicion of emotional, physical and/or sexual abuse of a minor. Your record and the information within will be kept confidential. They will not be released to others without your consent or unless requested by the law.
- Naturopathic medical treatments are in no way meant to replace conventional medical care or care from another licensed health practitioner. Please let your naturopathic doctor know if you are being treated by other health care providers. It is your responsibility to disclose changes in your condition, symptoms, contact information or treatments (change in medication or supplements) between visits. Please advise if you are pregnant, suspect pregnancy, or are breastfeeding.
- There are a number of different modalities used in naturopathic medicine: diet and nutritional counseling, herbal medicine, traditional Chinese medicine, homeopathy, hydrotherapy, lifestyle counseling. The treatment plan will be explained to you, as well as potential side effects of any therapies. You are encouraged to ask any questions you may have. As with any form of medicine, we cannot guarantee the outcome of any treatment offered. If at any time you wish to discontinue a particular therapy/treatment, you are free to do so.
- If you have a serious health problem that requires immediate attention, call your MD, or call 911 or have someone take you to the emergency room. If you notice an adverse effect from one of your treatment modalities, discontinue it and call or email Dr. Joshi to inform her of what has occurred.
- I agree to pay my full account at the time of each appointment for services, cost of supplements/remedies (if I choose to purchase them), or lab tests.
- The contact information, health history, and other information that I provided on my intake form are complete and accurate.

I have read and understand the information on this page. I gi	. s my consent to treatment.	
SIGNATURE of patient or guardian	Date	

#### **Fee Schedule and Cancellation Policy**

#### Payment is due at the time of the appointment.

We will provide an official receipt that you can submit to your extended health insurance plan.

Naturopathic appointments are not covered by MSI.

Scheduling of an appointment reserves the time specifically for you. To respect the time of Dr Joshi and to offer availability to a patient who may want that appointment time, we kindly ask for **24 hours notice** to reschedule or cancel your appointment.

In the absence of 24 hours notice, or in the case of a missed appointment, the **full fee** of the appointment will be charged. <u>Please note</u>: This fee cannot be charged to insurance plans.

In unforeseen circumstances - emergency, illness, or bad weather, certain considerations will be made by your naturopathic doctor at their discretion.

If you need to cancel or reschedule your appointment, please call 902-406-0100.
